THE MILESTONE

LAUREL HIGH SCHOOL
LAUREL, DELAWARE

Another year has passed; another class has graduated. We have reached one more milestone. In this, the 1965 *Milestone*, we have tried to show more than the usual school pictures, but rather a true cross section of our past year at Laurel High School. It is our sincere wish that the following pages will always bring back to you fond memories of the extracurricular activities and daily happenings which made this basic part of our education more enjoyable.

OUR

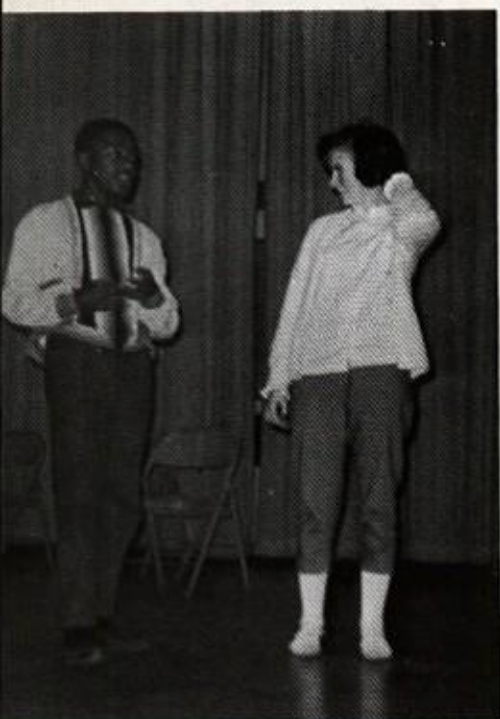

SCHOOL

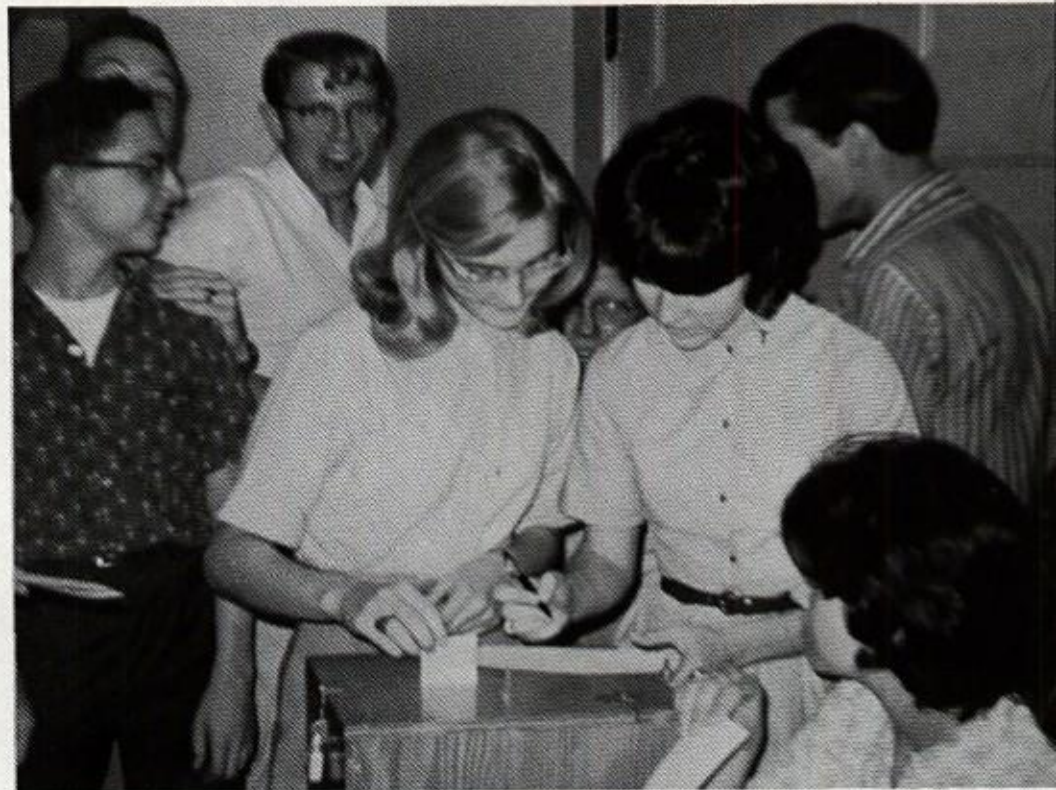

Donna and Peggy sell basketball tickets.

SOME TYPICAL

Rehearsals and more rehearsals.

"Have you read this one?"

A blue Monday.

Mr. Shaner welcomes the yearbook camera.

Joe makes himself useful.

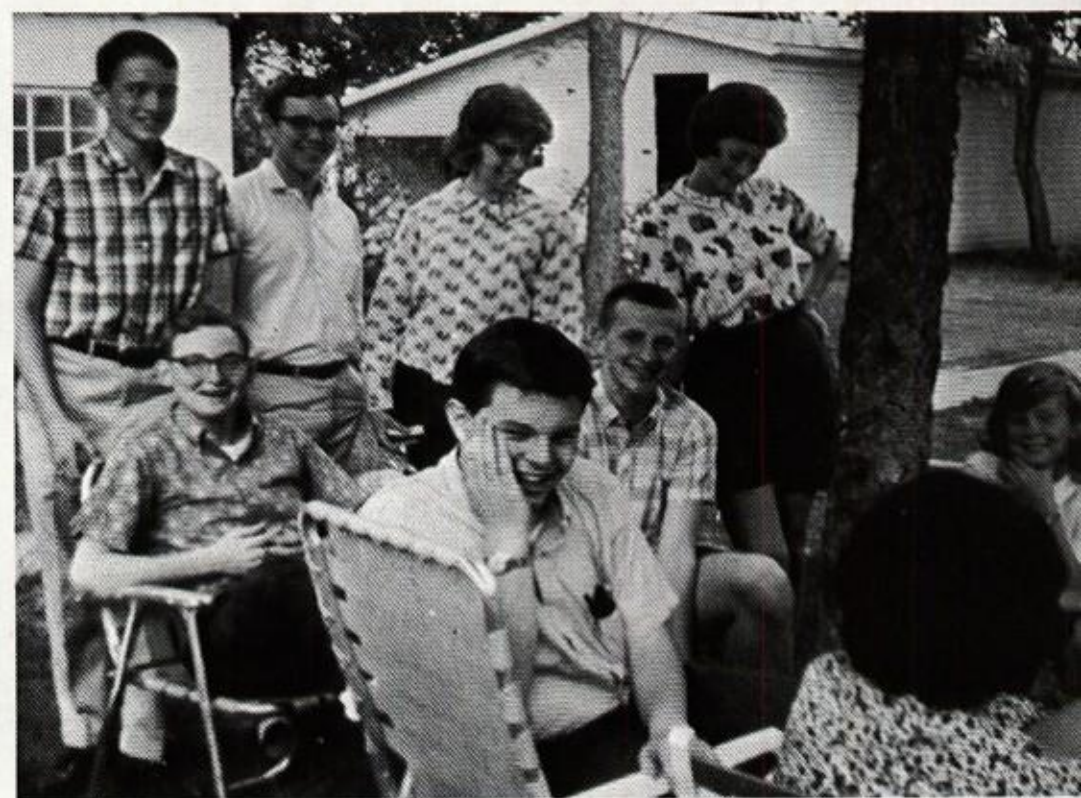

Horace receives a palpable hit.

MILESTONE PICNIC

CHORUS

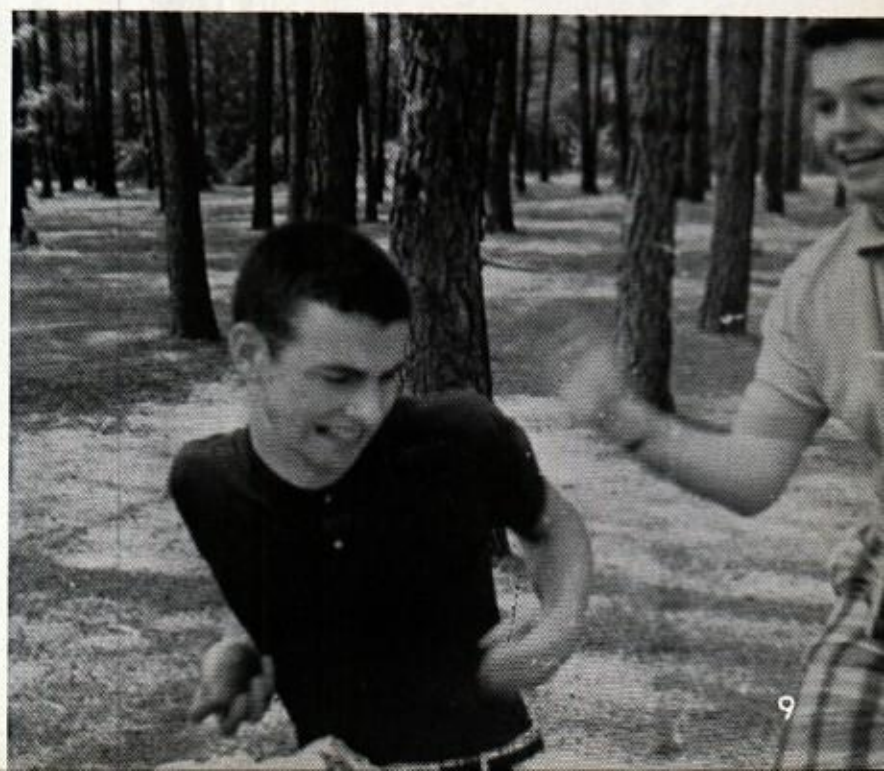

The crowd awaits the serve.

PICNIC

"No can opener?"

"Cut it out, Reid!"

The Grand March draws to a close.

Our fearless leader.

Some of the guests are arriving.

The faculty looks the situation over.

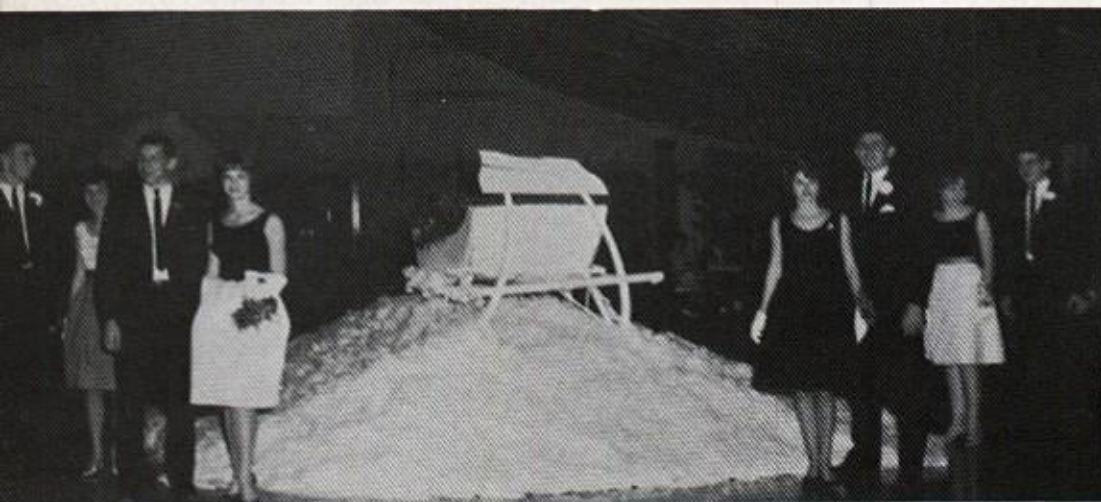

The Seniors of '64 dance the night away.

Bob Wagner's band adds the final touch to a "Winter Wonderland".

With many thanks from the
faculty

Let's try this "Blush On"

On the following pages we have shown our faculty and administration just as we see them each day. These people have not only been our teachers; they have shared our disappointments, our joys, and our plans for the future. Because our school offers both vocational and college preparatory training, these teachers represent varied fields and interests. Through their guidance we feel that we have become more complete individuals. So to you, the faculty and administration, the Senior class gives its thanks for all you have done for us during our years at Laurel High.

MRS. CULVER, nurse

As we leave Laurel High, we leave with mixed emotions. Some of us are eager to be out on our own, attaining the goals we have set for ourselves; others of us, however, look over our shoulders reluctantly. We will always remember the football games we won and lost, the eraser fights in homeroom, the teachers we could never fool, the mad dashes to the cafeteria, and all of the other things, big and small, which have made our years at Laurel so wonderful. It would be foolish to say these years were without disappointments and problems, but even these will be softened by the flattering light memory tends to shed on times past.

A few years ago we stood where you are today. We, too, were confronted with the same important decisions one must make in his high school years; and we hope we made them wisely. As departing Seniors, we urge you to set a worthwhile goal for yourselves and to work toward it diligently, for your time at Laurel High School is all too short to spend it in aimless wanderings. Furthermore, remember that a school is as good or bad as the students themselves make it. Strive to make Laurel always known as a good school.

That long lunchline!

No school would be complete without its various organizations. Clubs such as the French clubs, choruses, Latin clubs, and band have provided countless hours of pleasure for us all. However, not all of the organizations at Laurel High were formed strictly for pleasure. Those such as the Athletic Council, Library club, Projection club, and Student Council provide to the school services which would be sadly missed without them. Still others have been formed with the future in mind. Our membership and interest in the Future Farmers, Nurses, Teachers, Homemakers, and Business Leaders have given us additional knowledge in the fields we intend to cultivate. The American Field Service has given the community new and interesting friends through the Exchange Student Program. On the following pages, we have pictured these organizations which have provided us with the fun side of learning.

THESPIANS

On Thursday and Friday evening, December 17 and 18, 1965, the Thespians and high school Chorus presented "The Stingiest Man in Town," the first musical in Laurel High School since 1959. Tickets were almost completely sold out, and the play was said to be the best theatrical production in many years. The play, based on Charles Dickens' "Christmas Carol", was set in the mid 1800's and necessitated authentic costumes and beautiful scenery, for which we are indebted to Mr. Foster and Mr. Progar. The field house was used in order to facilitate the use of the better lighting apparatus as well as to be able to accommodate such large audiences. Some of the characters were:

Scrooge
 Bob Cratchit
 Fred
 Marley's Ghost
 Mrs. Dilber
 Ragpicker Hawkins
 Spirit of Christmas-Present
 Martha
 Belle
 Young Scrooge
 Tiny Tim

AMERICAN FIELD SERVICE

I am Isabel Maria Jimenez, the AFS student in Laurel for the year 1964-1965. I come from Cartago, Costa Rica. My father is a banker and my mother is the treasurer in a vocational school. I have a sister, Maria Teresa, who is 16 years old, and a brother, Francisco Javier, who is 12 years old. Before coming here I attended elementary school for six years and secondary school for four and a half years, and I still have to graduate when I go back this year. Among my favorite subjects and hobbies are mathematics, English, volleyball and swimming.

I applied to AFS with the hope of coming to this great land, America, which had been my dream all my life, and now after this year I know there will not be another such as this—new, exciting, and great.

Isabel lends a hand in AFS Day preparations.

Boy, it takes more than Wheaties to perform Judo!

Old Christ Church captures the interest of our AFS friends.

Remember that delicious dinner?

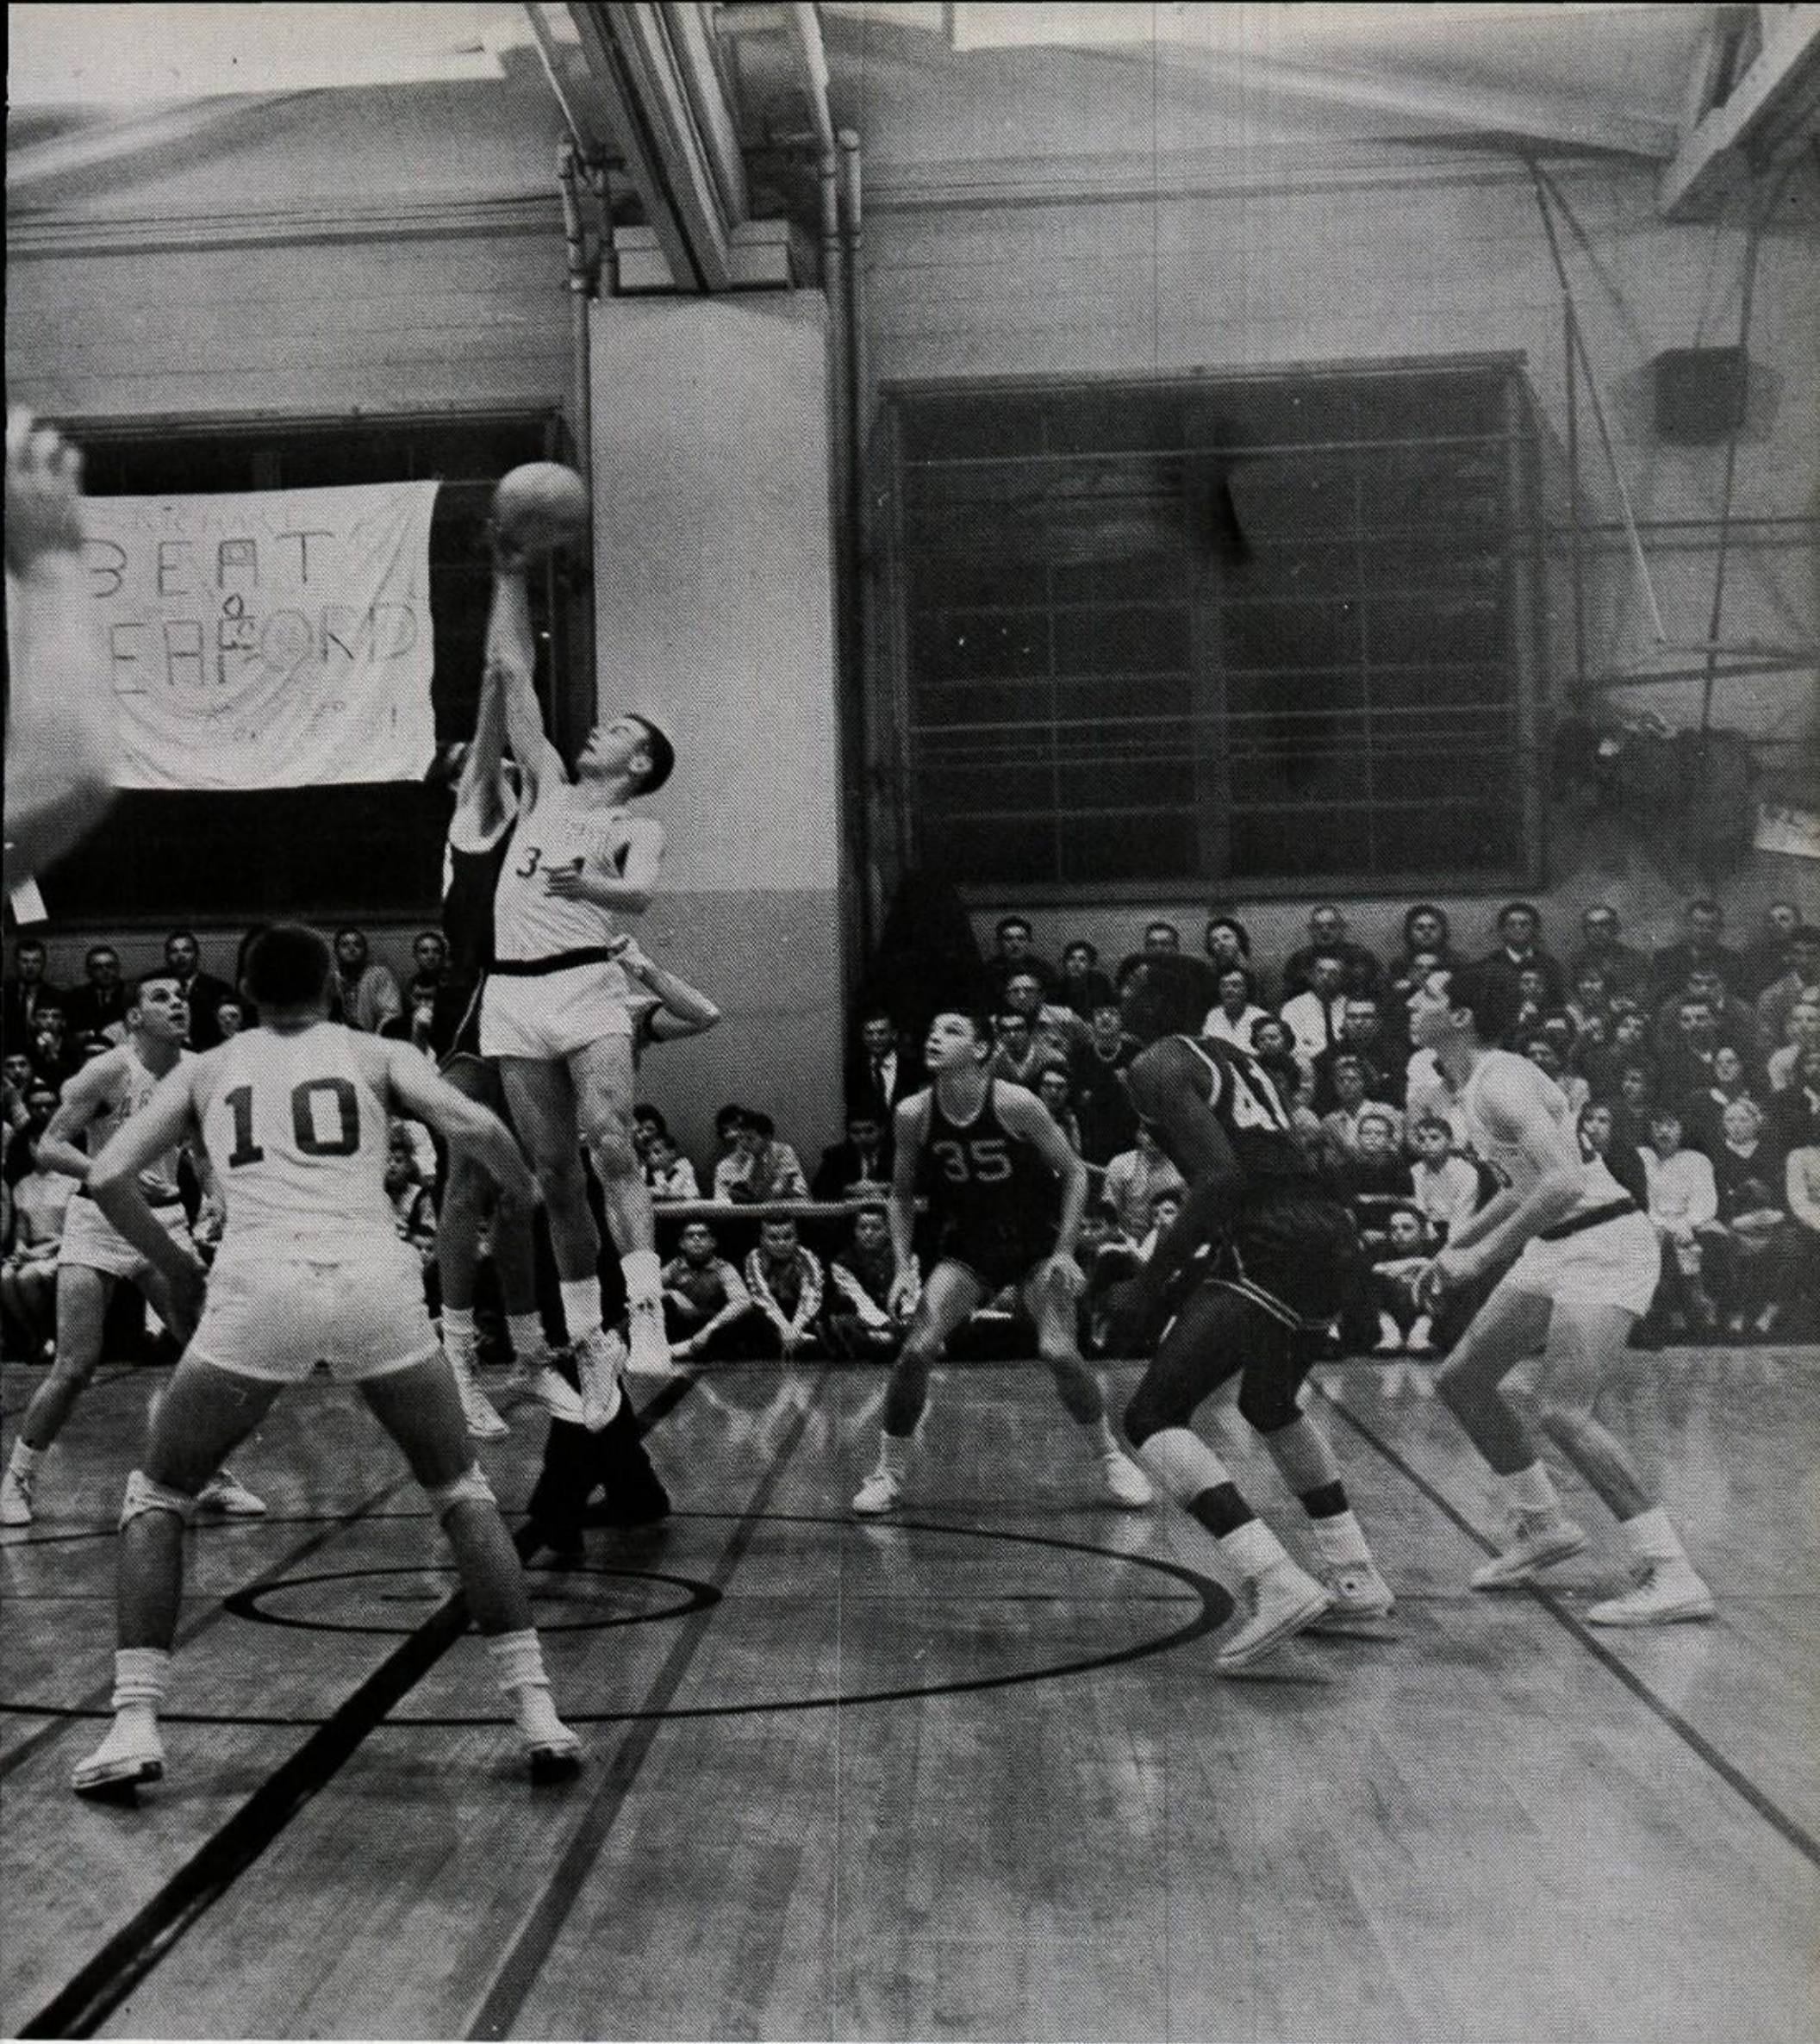

Time out for a shot on the Woodland Ferry.

There's no language barrier here!

Sports have played an important part in our school life. We will never forget the thrill of excitement as the winning touchdown was made or the mounting tension in the last seconds of a close basketball game. Victory was always our objective; defeat only spurred us to fight harder. We are leaving our records, trophies, and uniforms behind us; but we are taking one important part of sports equipment with us—good sportsmanship.

VARSITY HOCKEY

This year the varsity hockey team had a very successful season as they posted a 5-1-1 record. The team included five seniors who accounted for ten of the seventeen goals scored. Susan Warner, left wing for five years, led the scoring with five goals. Janet Northam, another five-year veteran, made two goals from her left wing position. Cathy Bethards, hockey player for three years, scored three goals while playing right wing. Peggy Gordy in her third year as fullback and Jaye Allen, a newcomer to the team, were indeed great assets to the Laurel defense.

JIMMY BROCK

CHAMPIONS

Barry Hastings, a six-foot-three forward, was Laurel's high scorer this year, finishing the season with 315 points. He was also high man in another department; he had 242 rebounds. A B-average student, he was named to the Delaware All-State Basketball Team and the Diamond State Conference All-Conference Teams. He plans to attend Lenoir Rhyne College, Hickory, North Carolina.

Don Phillips, another six-foot-three forward, was Laurel's second high scorer and the Conference's third with 269 points, and was second in the rebound department with 188. The valedictorian of the graduating class, he plans to study at Wake Forest College in Winston-Salem, North Carolina.

Kendall Phillips, a six-foot guard, was the third member of Laurel's high-scoring trio; he also finished fourth in the conference point count with 252 points. Valedictorian of the class of 1965, he will enter the University of Delaware next fall.

Steve Faulkner, a six-foot-three center, although not a high-scoring player, nevertheless did score 123 points and grabbed a third-high 148 rebounds to help put Laurel on top of the Conference. Steve will be around to help cheer the team on next year, even though he will not be playing.

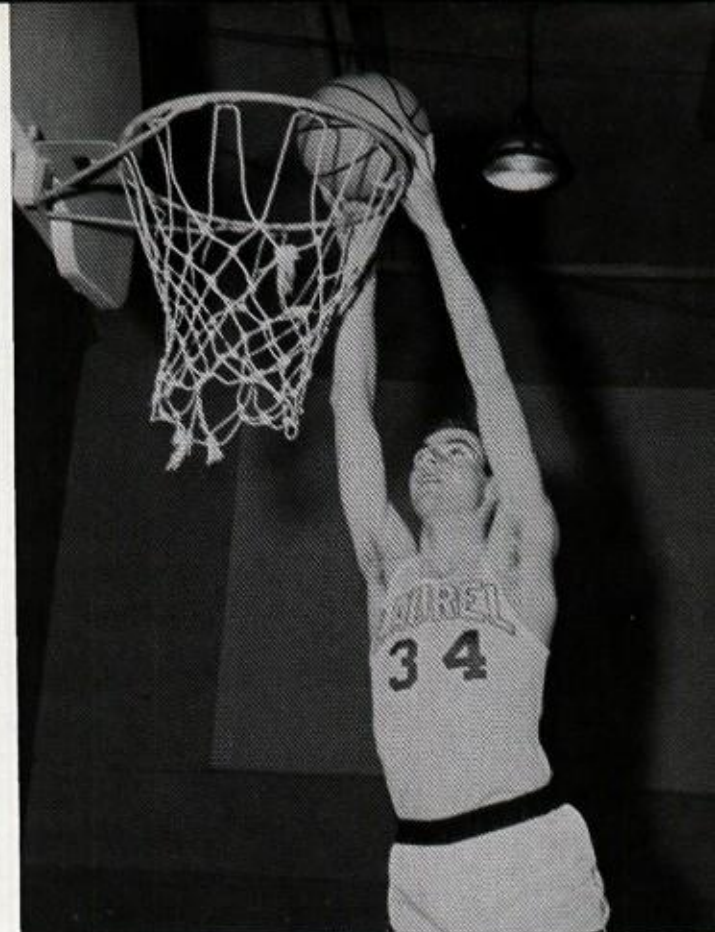

Richard Giles, a five-foot-nine guard, rounds out the starting five. Though he did not get the most rebounds, he was just the same the "glue" that made the team stick together.

Biff Lee, a five-foot-eleven forward who did not get to play in all the quarters, was nevertheless a great support to the team.

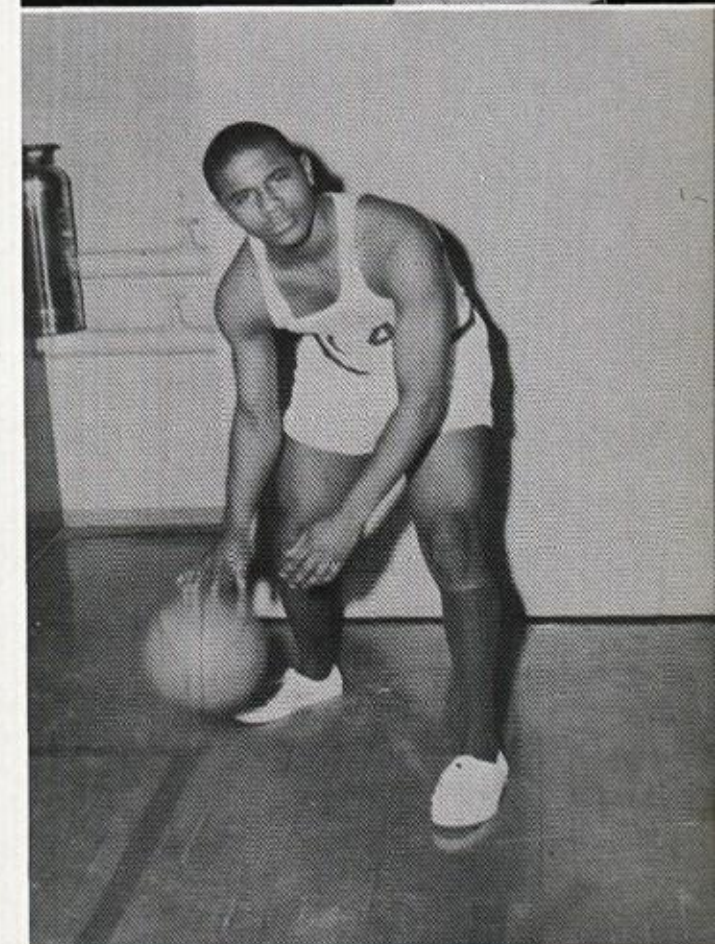

Jimmy Brock, five-foot-ten guard, was also a great support to the team although he did not get to play in all the games either. Jimmy is Laurel's third honor student this year and plans to attend the University of Delaware next September.

Horace Pepper, a six-two center, bore the distinction of scoring only one point this season. However, his good-natured teasing and clowning lightened the long practices and brought smiles to the faces of the spectators.
